WANT TO HELP THE ANIMALS OF OUR COMMUNITY?

Please consider donating to the Animal Assistance Fund which allows for the rehabilitation of sick animals that may otherwise not receive a second chance.

Your donation may also provide funding for additional comfort and space for homeless animals.

For more information please call 408-764-0344 or visit www.svaca.com.

ANIMAL CARE CENTER

CAMPBELL
 MONTE SERENO
 SANTA CLARA

Adopt a Companion Animal from
 SVACA, the Valley's Only
 Cageless Animal Care Center!

What is SVACA?

The Silicon Valley Animal Control Authority (SVACA), a Joint Powers Authority, provides the cities of Campbell, Monte Sereno and Santa Clara with the care of injured, lost and abandoned companion animals, animal cruelty investigations, enforcement of animal laws, education and outreach programs, volunteer programs, and so much more. We place all of our healthy and treatable animals from our cageless Animal Care Center.

Mission

To ensure the well-being of both animals and people through advocacy, education, and cost-effective yet efficient services by providing a superior level of care, compassion, and respect for all living things. SVACA's dedicated, passionate and enlightened Board of Directors, Technical Advisory Committee, volunteers and staff accomplish our mission by enforcing animal control laws, offering progressive programs and services, promoting responsible and humane guardianship, investigating cruelty and abuse, and operating a warm, inviting and state-of-the-art animal care center that encourages the community to participate and help us foster life-long relationships between residents and their animal companions.

Animal Care Center

Our cageless center opened in November 2006 and features several unique areas:

- Cat condos allow cats to climb and roam loose in rooms as they would in a home.
- Dog habitats provide a homelike setting.
- Indoor and outdoor dog play areas for exercise and socialization.

SERVICES & PROGRAMS

Adoption

Adoption is a wonderful way to acquire an animal. Our goal is to make "perfect" matches so that our animals remain with their new guardians for the remainder of their lives. Photos of available animals and more information can be found at www.svaca.com. Adoption services are available to all Bay Area residents.

Low Cost Spay/Neuter

We offer low cost services to Campbell, Monte Sereno, and Santa Clara residents. Affordable services are also available to residents outside of SVACA's jurisdiction. Call us at 408-764-0358 to schedule an appointment or go to www.svaca.com for more information.

Stray Animal Care

We receive stray animals from the cities of Campbell, Monte Sereno and Santa Clara. All of our animal guests receive the best possible care during their stay with us. Our veterinary staff also provide necessary medical care.

Lost and Found Assistance

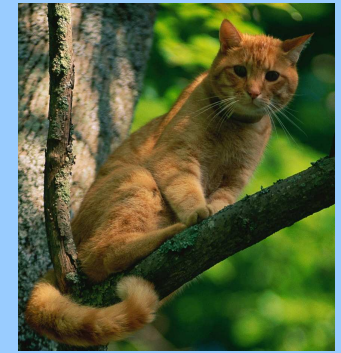

We maintain a lost and found center so that lost animals can be quickly reunited with their owners. Pictures of our stray animals and more information can be found on www.svaca.com.

Animal Licensing

State laws and local ordinances mandate that all dogs and cats over four months of age must be vaccinated for rabies and licensed. Visit www.svaca.com or call us for more information.

Field Services

The Field Services Division provides animal control field services to the cities of Campbell, Monte Sereno, and Santa Clara. Services range from rescuing animals in distress to providing stray animals with emergency veterinary care. Our Officers are available for emergency response 24-hours-a-day, every day of the year.

Volunteer Opportunities

We always need dedicated individuals who love animals and want to make a difference. Learn how you can help at www.svaca.com.

Foster Parents

Help us save lives by fostering animals in need. Details are at www.svaca.com.

Educational Programs

We provide educational programs for schools, civic groups, and other local organizations. Please contact us to schedule a presentation for your group.
