Are you at least 18 years old or older?  Yes  No

Welcome and thank you for choosing Silicon Valley Animal Control Authority (SVACA) to adopt a furry friend! You will soon meet an experienced Adoption Counselor who will help to make a great lifetime match for you and your family.

Things to think about –

- Is everyone in the home on board to adopt a small animal?
- Are you prepared to make a lifetime commitment to whoever you might adopt?
- Where will you house this animal?

List your current pets:

Type of Animal	Is the animal spayed/neutered?	Where does he/she sleep at night?

I certify that I am 18 years or older and that the information I have provided to SVACA is accurate and truthful. I understand that an adoption is not guaranteed by SVACA and the process may be halted at any time if the information is found to be incorrect.
